- Having your e-mail and regular mail addresses on file with Interlibrary Loan enables us to notify you promptly and deliver materials accurately when your request arrives in the library.
- By specifying a Username and Password of your choosing, you will have secure access to information about your requests. You will also be able to review the list of items you have requested in the past.

**About your Username and Password**

You will need to choose a Username and Password. You will use this Username and Password when logging on to the ILLiad system in the future.

<b>Username</b> Use your LSUHSC userid.	<b>Password</b> Choose anything you like. Follow good security practice and choose a password that is different from those you use to access other systems. ILLiad will encrypt your password. Only you will know your password.
